Are You Vulnerable Too?

1 in 4 law firms reported a data breach (ABA, 2024)

Confidential client data, strategies, and financials are high-value targets

Breaches result in reputational, financial, and legal damage

What's at Stake?

\$245,000:
Avg. cost of a breach
(NetDiligence Study)

60%
of firms lose clients
within 12 months
post-breach

36%
of clients say
cybersecurity is their
top concern
(Gartner 2025)

1
breach can destroy
decades of trust
and privilege
