Legacy Systems

Rising Threats

Shrinking Budgets

LET'S FIX THAT

Discover how V Group Secures, Modernizes, and Scales your Legal IT— with Budget-Smart Hybrid Teams

UNDERSTANDING THE
LEGAL INDUSTRY'S DILEMMA

Law firms face growing pressure for speed, transparency, and security in increasingly complex regulatory environments. Many operate with:

LIMITED IT BUDGETS

OUTDATED INFRASTRUCTURE

RISING CYBER RISKS

NEED FOR SMARTER AUTOMATION AND AI

Modernizing IT in areas like cybersecurity, AI, and process automation often feels financially challenging.

THE ONLY SOLUTION : HYBRID IT !

V Group closes this gap with a hybrid model combining onsite advisory and offshore execution.

WHAT LAW FIRMS GET ?

- Globally Certified Enginners
- Cost Effective
- Compliance Confidence
- Flexible Term Commitments

With 25+ years of experience and active US legal clients, we understand your needs.

HOW V GROUP BUILDS CONFIDENCE FOR
LEGAL IT OUTSOURCING

CONCERN	V GROUP'S STRATEGIC ASSURANCE
Data Security & Confidentiality	SOC-certified environments, NDA staff, secure VPNs, DLP systems, and legal-grade access controls.
Regulatory Compliance	Experts in US/EU legal frameworks with regular compliance audits and documentation.
Communication Gaps	24/5 support, overlap hours, dedicated success managers, and legally trained IT liaisons.
Legal Tech Domain Experience	Teams skilled in iManage, NetDocuments, Clio, Relativity, eDiscovery, case tracking, and billing software.
Cost Justification	2–3x cost savings, ROI-focused delivery, no compromise on skills or certifications.
Continuity & Accountability	Long-term clients, strong retention, KPI-driven SLAs, and scalable delivery.

WHY LEGAL IT NEEDS INVESTMENT – NOT JUST MAINTENANCE

Competitors are already using:

- ✓ AI for document review and case prediction

- ✓ RPA for compliance and billing

- ✓ Secure collaboration tools

- ✓ Cloud-based document management

Avoiding this transformation only postpones competitiveness.
